ALL Things ARE Possible IF You Only **BELIEVE...**

MY VISION BOOK PROMISES

“Between NOW & (DATE) I Promise I WILL Have
Acquired...”

When you believe it, you'll see it

DECIDE: What You Want & When You Will Have It... (Not what you think you can get, but what **you** really want...)

“ALL things ARE possible *if* you BELIEVE...”

~
Jesus Christ

Decide WHAT YOU WANT and **trust** that “*how to do it*” will turn up... When there is a will there is ALWAYS a way... If you have the WILL “*the way*” WILL be revealed...

For this to WORK: It's important to promise yourself, “*What You Want To Get...*” and NOT what you want to get away from... and NOT what other people want for you but what you want for reasons precious to you.

Next: Commit Yourself by Promising Others You Will Succeed...

Promise **positive** people who will support you that you will have accomplished these things by your chosen time frame... and Promise **negative** people that don't believe you can do it, that you will, just to show them, you can...

Another benefit I should make mention of here in telling other people about what you want to accomplish is, they may be in a position to help you. They may have some knowledge or resources to assist you or they may know somebody who can help you.

Be Determined To Show Both Types of People... Imagine those who support you congratulating you when you tell them you have fulfilled your promise. Imagine those who were negative towards you having to stand corrected when you tell them... Not out of spite but just to let them know they should regret doubting you and you forgive them for doing so!!! Why? Because the truth is, they only thought you couldn't because they didn't think they could) Just tell them, “*Whether you think you can or you can't YOU ARE RIGHT... Because as a man thinks in his heart so is He... Man is just a product of what he has thought...*”

Next: See Yourself Living Your Promised Vision... Go to www.google.com go to images and get pictures of the promises in your vision, below are areas of life you should consider, you can copy and paste your promise pictures under the headings, print them and keep in a folder ...

Read Out loud, “Between Now and (your chosen date) I *promise* I WILL HAVE Acquired...” Look at the pictures imagining yourself with each promise fulfilled...

How Frequently, How Long & When, Should You Do This?

ALL Things ARE Possible IF You Only **BELIEVE...**

MY VISION BOOK PROMISES

**“Between NOW & (DATE) I Promise I WILL Have
Acquired...”**

Twice Daily... 20 Minutes Each Time... Until The Promise Comes To Pass...
(1) Once in the Morning & (2) Once in the evening right before you go to sleep...

In the morning it will inspire you and give you positive energy. At night it will help you sleep well and cause your subconscious brain to work out *the way* each promise will be fulfilled as you are sleeping...

When you think about what it is you really want, you realise it is not actually money, but the things you want that money will get you. You don't really want the money what you want is the car, the house and to take it a step further, it's not so much the house and the car you want, it's the feeling of being in the house or driving in the car. So when you visualise these things, think of the feelings, feel the feelings which will put you in harmony with what it is YOU REALLY want, the feeling of enjoying your possessions. What we all *ultimately* want is to feel good about various different aspects of our lives.

So as you think about what you want bare that in mind...

Lastly REMEMBER to be really specific, about what it is exactly you want. If it's money, how much money? If you just say, I want more, think about this; if I give you \$1 you now have more money, your wish has been granted. It's what you asked for and you got it. If you want more than \$1 say specifically what you want.

What will it look like? If it's car what colour is it.

Where will this be?

Who will be there?

When will this happen?

“*Write* the vision and make it plain... and it **WILL** *surely* come to pass”

~
The Bible

ALL Things ARE Possible IF You Only **BELIEVE**...

MY VISION BOOK PROMISES

“Between NOW & (DATE) I Promise I WILL Have
Acquired...”

There are 2 things the bible said to do, for the vision to surely come to pass. The first thing was to write the vision. So create a list of the things you want to have in one year and carry it with you in your pocket. *Write on the card...*

All things are possible, if you believe and I believe... Between now and the (day) of (month) (year) I will have:

~
~
~
~
~

And that is a promise, I can promise this because, all things are possible to him that believes and I believe NO-thing is impossible to me

And on the Back

*He who did not spare His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things? **Romans 8:32***

*So shall My word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it. **Isaiah 11:55***

*I perceive that God is no respecter of persons **Acts 10:34***

*Delight yourself also in the LORD, And He shall give you the desires of your heart. **Psalms 37:4***

If you can't write small enough to fit all that then get a 2nd card. Laminate the card(s) and carry it in your pocket because through out your day, you will come in contact with it and when you touch it think about it. Take it out and read it. Feel what it is like having those things in your life.

Now you can visualise and truly believe and have faith that all this can happen. But the bible didn't stop there it said make it plain, in other words plan how you are going to make this happen. Now to begin with you may not have any idea how, you just know what you want. But the how will start to turn up... Don't worry it will turn up. When it does you will recognise it and it is your responsibility to take action. Faith without works is dead, all the visualising in the world without action is pointless. Go Now to “*The 5 ESSENTIAL Elements Needed Accomplish ANY Goal You Want*” this will explain more about setting goals and how to find the way... Though goals are different the process remains the same.

ALL Things ARE Possible IF You Only BELIEVE...
