May God Bless You Abundantly

YOU... HIGHLY *Favoured of God*

The Favour of God... How can I describe The Favour of God... WOW... Where Do I start?

Favour is when something good happens to you, mostly at unexpected times when you did absolutely nothing to deserve it. You did nothing to earn it whatsoever. It's like you get blessed and you can't work out why. You didn't particularly ask for it or anything, but good things keep happening to you for seemingly no apparent reason. To be honest really I see the favour of God as an unfair advantage that works for your benefit.

For example you may want to buy a property and you go to the seller and only offer a certain amount. However someone else offers the same seller more money than you but the seller decides to sell to you, even though it means less money for them and they won't even know why. They'll just feel like doing it!!!

I'm sure right now you have 2 questions on your mind. One is probably;

"What else can God's favour do in my life?"

And the most pressing one is;

"How do I get God's favour to WORK in my life?"

Well these are questions, I'm excited to tell you... I'm CONFIDENT you WILL know the answers to in few short minutes. Let me start off with what else God's favour can do in your life!

Favour can put you in the right place, at the right time to meet the right person... Which I CAN ASSURE you will be the bridge over a longer tedious route to success in anything you endeavour to do. Favour can save time. Favour can do things in a moment that would take money years to accomplish. Favour can give you advantages money can't give you. It's been said that,

"One moment of favour is worth a lifetime of labour..."

Favour is when God impresses someone to solve a problem in your life without your earning it. One moment of favour REALLY IS worth a life time of labour. It is because of favour that Joseph went from prison to the palace in a day. Favour can speed things up for you, it can shorten the normal waiting period for something to happen.

Favour makes a way out of no way... God can even give you favour in the sight of your enemies. Favour can even cause your enemies to help you. Look how this happened for the Israelites when they were in Egyptian captivity,

"But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel" (Exodus1:12).

*"And the children of Israel did according to the word of Moses; and they borrowed of the Egyptians jewels of silver, and jewels of gold, and raiment: And the LORD gave the people **favour** in the sight of the Egyptians, so that they lent unto them such things as they required. And they spoiled the Egyptians" (Exodus12:35-36).* Not only did God deliver the Israelites out of the captivity of the Egyptians, they left Egypt with all the Egyptians wealth to.

Favour is better than money, it does things money can't do and it can also bring you money.

YOU... HIGHLY *Favoured of God*

YOU... HIGHLY *Favoured of God*

God's Favour is on Your Prayers... You will see in my testimony shortly what prayer can do in terms of favour for your life. One way to actually have favour is shocking to some people but it shouldn't be, it's what God asked us to do... It's simple, you can actually ask for it, if you don't ask you don't get. *"You have not, because you ask not"* (James4:2). But sometimes we ask and still don't receive because we are only asking so that we can benefit ourselves and nobody else (James4:3).

Just know that when you have prayed according to God's Word which **IS** (HIS) WILL, it shall be given to you (Matthew7:7). No man can stand in the way of that. God WANTS to do His Word, because IT **IS** His will and NOTHING, NO THING gives Him more pleasure than when you ask Him (anything) according to His Word... because, He gets to do His will. You give Him permission to move and show how wonderful He is, He loves that and given any opportunity He takes it.

God **Himself** said in Isaiah45:11, "...concerning the work of my hands command ye me..." Wow what a statement!!! You mean to tell me Elliot, I can command the hands of God? Hey He said it not me, I'm just telling you what He said. But to explain it briefly, when you hold God to His Word you have commanded the work of His hands! Jesus said, "I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven." (Matthew16:19)

All we have to do is call on Him and He **will** answer and He will give us the victory and always *"cause us to triumph"* (2Corinthians2:14). We are living by faith (Hebrews10:38). Therefore we do not allow our circumstances to dictate to us, who we are, what we can do or what we can have. We dictate what happens to our circumstances, by our words, thoughts, faith and actions.

The favour of God will cause things to move and open doors just for you. God said He would pull one man down and put up another, just so His Word to you will be fulfilled. He wants you to have perpetual victory. We are **more** than conquerors (Romans8:37).

"...If thou canst believe, all things are possible to him that believeth." Mark9:23

"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us," Ephesians3:20

"But Jesus beheld them, and said unto them, With men this is impossible; but with God all things are possible." Matthew19:26

When the Kingdom of God works it works in power everything else must bow. He who is in us is **GREATER** than he who is in the world.

Now as I mentioned earlier, I said I would tell you my testimony about when I first recognised;

THE FAVOUR OF GOD IN MY LIFE

It caused myself and others to marvel and think, "What's going on here?"

I once worked as part of the Concierge team at a hotel in London Heathrow Airport, where I was the, "Executive Chief of Baggage Transits" (in other words I was the Bell Boy...) I saw the favour of God operating in a major way. And I can pinpoint when this started happening because there was something I used to say

YOU... HIGHLY *Favoured of God*

when I got up in the morning. It's important to note, I would say it out loud (and I'll tell you exactly what I said near the end of this recording).

YOU... HIGHLY *Favoured of God*

And any time I saw the favour of God I would acknowledge it and say, "That's the favour of God, thank you Lord." Now here's what used to happen, we used to receive tips for the wonderful service we would provide people with. Now in my natural ability I was pretty good at earning a lot of tips, I was a diligent worker, very courteous and sincere in my motives to actually genuinely want to help people, not just take money from them.

And I did pretty good, half the time I earned more tips than everyone else. But when I started saying, what I was saying in the morning, very soon I was the highest tip earner on that team, I would say conservatively 90% of the time.

My colleagues wondered why? They asked me, "How come all the big tippers come to you?" I always seemed to be in the right place, at the right time with the right people.

Now we used to split our tips. We put them in an envelope and at the end of the week we would get the money. I used to put so much in people thought I put my own money in. Even when it was quiet and nobody else made much, it didn't affect my performance.

I remember there was this Scottish guy, who was amazed at the fact that it was quiet with nothing happening and I'd still make money. He couldn't work it out. He said, "I don't know how you do it? It must be something you say or something you're doing, I just can't understand it." (I'm sorry I know that's like the worse Scottish accent ever!) But in tough times The Bible says in Psalms, "In days of famine you shall be satisfied" (Psalm 37:19).

Then I saw a second side to God's Favour, not only did it make me the best performer, I saw rules and policies changed, which benefited me more than anyone else. God changed the rules which had been in place since that hotel had been established ON MY Behalf!!!

Because to be honest, I was grateful I could be a blessing to the whole team. But I was a little irritated that I was putting so much in the envelope and saw little come back to me in comparison to what I put in. Others weren't putting in half what I put in and they were getting double what they put in the whole week at the end of the week. I was making more money in a day than some people would make the whole week. Which was the Favour of God.

But after a while I was irritated. It didn't feel fair, I was making so much for it to end up in other people's pockets that just weren't as productive. I spoke to God about it and asked Him to change the system, so those being productive would benefit.

Soon after that prayer, the Head Concierge of the team, put a bonus at the end of each week for the highest earner. I won it practically every week, it became known as Elliot's bonus!

Then he changed the whole structure of the system all together where the tips were shared according to how productive you were. So of course I benefited in a major way. Then all of a sudden everyone else pulled their socks up and started to earn well. I prayed that the favour that was on me, would come on the whole team, but that God's child would always be on top, so God gets the glory. And God did it.

YOU... HIGHLY *Favoured of God*

God's favour will work for you in whatever you field you are in, regardless of your situation. The same way He took care of me, He will take care of you. The **SAME** God is rich to ALL that call upon Him (Romans10:12).

YOU... HIGHLY *Favoured of God*

There are many times people don't recognise that God has put favour on them for a particular opportunity. There is something that they believe God has called them to do. An opportunity presents itself, but because they don't have the money they think the opportunity isn't for them and they miss out. What God wanted was for you to take a step of faith. He says draw nigh to me and I will draw nigh to you. In other words fulfil the obligations required for His promise and He will make sure He brings it to pass.

Many times I have seen. I wanted something and I didn't have the money at the time, I'd ask God about it, and then I would see the price drop unusually, that is the favour of God. You may still not have the money but that is a window of opportunity. God may want you to step out in faith and say yes to the opportunity and then stand in faith for God to do the rest. Do it and watch, God will meet the need. You may not know where it will come from but it is coming. Go for it. God sees your faith and that pleases Him. (Hebrews11:6)

"...without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."

The same thing God promised to anybody in scripture He promises to you, if that weren't true He wouldn't have had it recorded for you to read it. When you are Christ's you are a joint heir with Him and His family, you are under the same covenant as everybody in the family See Galatians3. You are God's Child. God has no favourites, we are all favoured.

In Acts10:34, *"...Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons."*

"For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him" (Romans10:12).

.....

Now that you know God's favour is available to all and you know a bit about what God's favour can do (and by the way I'm not finished I'll tell you more...) Let's learn;

HOW TO SECURE GOD'S FAVOUR & BE SECURED BY GOD'S FAVOUR

Let's first deal with how to secure God's favour;

Proverbs11:27 says, *"He that diligently seeketh good procureth favour: but he that seeketh mischief, it shall come unto him."*

Proverbs12:2 says, *"A **good** man obtaineth favour of the LORD..."*

Ok so a good man obtains favour of the LORD... But what does God class as good, and what can we do to be classed as good and obtain His favour?

Proverbs3:1-6 says, *"My son, forget not my law; but let thine heart keep my commandments: For length of days, and long life, and peace, shall they add to thee. Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart:*

*So shalt thou find favour and good understanding in the sight of **God** and **man**.*

Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

If I were you I would memorize that passage there is so much in there, which we should be doing daily for things to go well with us. Ok so we can seek good trust God and acknowledge Him in EVERY thing you do. What else?

Seek wisdom...

Proverbs4:8 says, *"Exalt her(her being WISDOM), and she shall promote thee: she shall bring thee to honour, when thou dost embrace her."*

Proverbs8:34-35 says, *"Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my doors. For whoso findeth me findeth life, and shall obtain favour of the LORD."*

"...forget not my law; but let thine heart keep my commandments... So shalt thou find favour and good understanding in the sight of God and man" (Proverbs3:1,4)

I wanna share a SECRET with you...

Because it seems sometimes that God has His favourites why are some blessed more than others. Does God really have His favourites? Well thankfully the answer to that question is No. You can see from scriptures I mentioned that God is no respecter of persons and is Rich to all that call upon Him. So why is that some seem to be blessed everywhere they turn, everything they do, good things keep happening to them, there is a little known secret to this and the secret is this...

God is bound by **His** word, He has said Only If ye be **willing** and **obedient** you shall eat the **good** of the land in Isaiah1:19. Notice the word **IF** which is conditional which means we have to do something otherwise He can't perform His word for us. Some are obedient some aren't that is the secret in a nutshell. Job36:11 says, "If they obey and serve him, they shall spend their days in prosperity, and their years in pleasures."

We are all subject to that **If**. With any promise in The Bible is a perquisite, Your Obedience... Bare Isaiah1:19 in mind when you look at the promises of God. **If** we sow **obedience** after the **If** we will be among the ones whom it seems God is always blessing. Then people will look at what is happening in your life and wonder. "How come they are so blessed and I am not?" You can tell them what I told you.

Obedience Obtains Favour... I can GUARANTEE the more obedient you are to God's commandments the more favour you will see in your life... It's really that simple, I'm giving you what you need to know here, but it's up to you to make the decision to do it CONSISTENTLY. God won't have you waiting long, the time will come when every where you turn favour just runs into you...

Deuteronomy28:1-2 says, *"And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth:*

And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God."

"If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel, ye shall be devoured..." Isaiah1:19-20a

Obedience obtains favour and disobedience stops it...

Here are some biblical pointers that will really help you...

Solve problems for others... If you want continuous favour sow seeds of favour continuously into the lives of others. *"Knowing that **whatsoever** good thing **any** man doeth, the **same** SHALL he receive of the Lord..." Ephesians6:8*

"Give, and it SHALL be given unto YOU; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again" (Luke6:38)

Pray for others... Do you remember all the terrible things that happened to Job? Well look what happened when He prayed for His Friends, *"And the LORD **turned the captivity** of Job, **when** he prayed for his friends: also the LORD gave Job twice as much as he had before."* Job42:10

Favour Tip:

ALWAYS be grateful, recognise, value and acknowledge God when favour is being shown to you. Do this TRUST ME you will have favour on top of favour multiplied...

~

You just learned How You can secure God's Favour now I wanna show you;

What You CAN Do to Be SECURED by God's Favour...

"If God be for us, who can be against us?" Romans8:31

*"But let all those that put their trust in thee rejoice: let them ever shout for joy, because thou defendest them: let them also that love thy name be joyful in thee. For thou, LORD, wilt bless **the righteous**; with favour wilt thou compass him as with a shield."* Psalm5:11-12 God will bless and favour you by covering you with a shield when you are in right standing with Him.

MEN CAN NOT STOP FAVOUR BEING SHOWN TO YOU...

"...These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth" (Revelation3:7b).

"There shall not any man be able to stand before thee all the days of thy life: as I was with Moses, so I will be with thee: I will not fail thee, nor forsake thee." Joshua1:5

"Behold, I send an Angel before thee, to keep thee in the way, and to bring thee into the place which I have prepared." Exodus23:20

YOU... HIGHLY *Favoured of God*

"The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways." Deuteronomy 28:7. God becomes an Enemy to your enemies.

Now I said I would tell you MORE about what God's Favour can do for you and I haven't forgotten...

I wanna talk about Favour With God & **MAN**...

I have heard people say if you have favour with God you don't need favour with anyone else. It's true to a degree but you do need favour with God AND man. If that wasn't true then God wouldn't have said, "So shalt thou find favour and good understanding in the sight of God and man" (Proverbs 3:4).

Think about the Israelites God gave them favour with men. If God wants to promote you at your place of work, He has to give you favour in the sight of men. God influences men to do things for you. Though it was God blessing me at the hotel I was working in, He blessed me **through** people. He had to give me favour in their sight. I also received a lot because, I was a giver. Jesus said, "Give and it shall be given unto you... for the same measure that ye mete with all it shall be measured to you again" (Luke 6:38).

God gives you favour in the sight of men. Favour with man is important. *"Jesus increased in wisdom and stature, and in favour with God **and man**"* (Luke 2:52).

Now although God will open all sorts of doors for you don't be naïve and think everybody you come in contact with has your best interests at heart. So be prepared to walk into people who will make promises they won't keep... God on the other hand WILL keep His promises and He will send someone to you who does keep their word.

There are good people who do want to help others and will if you give them a good enough reason. This is why it's important honour your word, when you prove yourself worthy of trust, people will not hesitate to make introductions to other people that can help you, because they know you won't be an embarrassment to them and/or jeopardise their influence and reputation in their circle of associates. Your word is your bond, people respect you and are likely to do repeat transactions with you when you are **known** for honouring your word.

So treat people with respect everybody matters, never take any person in your network for granted. They could be crucial to your success. Maybe not today but later. People are often connected to the very people you need, so respect people and maintain good relationships.

One thing I have learned is to do is ALWAYS act as if somebody is watching you (someone always is) so keep your word. Consistently exhibit actions congruent with the values you **SAY** are important to you, whether somebody is watching or not. People want to know you are the same person publicly as you are in private.

Also conduct yourself in an ethical and appropriate manner for every environment, in all that you do and you will benefit with favourable consequences. Just watch how your network and sphere of influence multiplies rapidly.

YOU... HIGHLY *Favoured of God*

Here is another thing, unless you feel a strong conviction from within, NEVER be afraid to take the help people offer you. And when you do ALWAYS give them thanks and acknowledgement when credit is due to them. Especially when someone commends you for doing something well and someone else helped you do it.

Make SURE you inform the person who is commending you that you wouldn't have been able to do it without the help of the individual who is due credit. Don't take all the credit, it's upsetting to the individual who worked so hard for you take all the glory. What you sow you will reap. So give credit where it is due and do good in privacy, the Lord will exalt you in due time and reward you publicly.

VERY IMPORTANT: Don't serve or do good to people just for a reward, do things from the genuine desire to just be a blessing to people from a humble heart.

And When someone helps YOU do something. ALWAYS reward them with a token of your appreciation with a sincere note of thanks accompanying it. People will speak well of you and God will bring you to their mind when they meet someone who will be a blessing to you.

YOU... HIGHLY *Favoured of God*

Continuing on what the Favour of God does for you...

God's Favour Makes Divine Connections

God has a plan and purpose for your life; He has placed it in the desire of your heart. This is why Psalm37:4 says, "*Delight thyself **also in the LORD**: and he shall give thee the desires of thine heart.*"

God will send people to open doors for you and create what I like to call **divine connections**. So the good news with this is, you don't have to suck up to people in the hope they will help you out. Secular people are especially susceptible to this idea, they call it "brown-nosing". You don't need to bother with that. Only do good to people because you want to bless them and because you *do all things as unto the Lord*. God will *exalt you in due time* (1Peter5:6). People know when you are sucking up to them and they don't like it. It's nauseating.

God has already decided who He will use to help you. God will make them think that it is their idea to bless you, often they won't even know the real reason for which they are helping you out. But they are being used of God, for His divine plan. They will just feel an intuitive nudge to help you, which they won't be able to resist. It will keep bugging them until they act on it. God doesn't have any problem using anyone to help you including your enemies, He will use them, their knowledge and their finance to help you.

God will use people of great influence to endorse you and that could lead to favour with millions of people. Even if your reputation has been damaged by someone else or you, yourself were horrible before but you are now a reformed character. God will send the right person at the right time.

As I said God has plans for you and His word won't return void. If He has spoken plans about you and you are willing and obedient, they **HAVE TO** happen. God sees only the objective all obstacles must give way.

Jesus wanted to use Paul to reach people. Paul had a bad reputation as Saul. Is anything too hard for God??? NO... Jesus didn't see that as an obstacle, He could have used anybody else, (someone people actually liked,) but He wanted to use a man who was persecuting Christians. Saul was converted to Christ and was called Paul.

But when he tried to do what God had asked of him, he found it difficult getting Christians to trust him, because of His reputation when He was Saul. People were still afraid of him and wouldn't listen to him. But that didn't matter to Jesus Why? Because he *foreordained* Saul.

The Lord used a man called Barnabas who had enough influence to persuade people to trust Paul was a servant of God. This is what The Lord said to Barnabas, "*...the Lord said unto him, Go thy way: for he is a chosen vessel unto me, to bear my name before the Gentiles, and kings, and the children of Israel*" (Acts9:15).

"...Barnabas took him (Paul), and brought him to the apostles, and declared unto them how he had seen the Lord in the way, and that he had spoken to him, and how he had preached boldly at Damascus in the name of Jesus." (Acts9:27).

Jesus provided a man of influence to endorse Paul and even today Paul has favour in our sight. So when there is something God has given you to do, when it looks like there is no way. God has already planned a way. What He has given you to do, is His purpose so He has already seen to it that there is a way.

YOU... HIGHLY *Favoured of God*

When God has something planned for you. You may not even be in the line up in the minds of men you may seem insignificant but God wants you for a particular thing and He will have you. He creates the way. David was in the field when Samuel was looking for the King among Jesse's sons. But God wanted David and He got David.

YOU... HIGHLY *Favoured of God*

Now although God makes divine connections, that doesn't make you exempt from doing anything. You have your part to play. Sometimes connections don't just cross your path, sometimes you need to approach connections. I would like to suggest to you, that whenever you see somebody in your field. Whether it be at a conference or meeting, remember that you are highly favoured of God and with that in mind never let that person walk out of your presence without introducing yourself to them.

Also remember you are not looking to that person as your source of success, God is. But that relationship (God Willing) could be a divine connection God is putting together, you won't know unless you approach them and introduce yourself. Seize the opportunity.

Some relationships will come from others introducing you to other people or people actually introducing themselves. But don't always rely on that thinking, "If God wants it to be, He will make them approach me." We often want God to give us visible signs that He wants us to make a move. But He speaks to us via our spirit with His Holy Spirit from within.

So when you feel the urge to know somebody or introduce yourself, be forth coming and say, "Hi My Name is...". Don't worry about what you need to say. Approach the person of interest in faith and trust me when you show God honour in trust and move forward the right words will come. First say Hello tell them you're name, who you are and then ask them about themselves, people LOVE talking about themselves, just let **them** talk. Show them genuine interest admiration and enthusiasm for what they do and long before the conversation runs dry exchange business cards with the person.

Make contact with them within a week of meeting them to touch base with them. See how they are and how things are going. If something doesn't spark up immediately and there are no transactions taking place between you. Don't worry make contact with that person once every 6 months to touch base with them. Don't just contact them when you want something.

Also see if there is anything you can do to help them and let them know if they need anything and they think you can assist them, let them know you are willing. Just be aware that sometimes we think that if we do everything right, everything will fall in place. What I have realised is that what is "supposed" to fall into place will fall into place.

But don't neglect to approach others and don't rely on others approaching you and keep in contact with those you establish connections with. Otherwise you could be missing out on favour from on High where God is establishing a special relationship between you and that person.

ALL the breakthroughs you have in life without a single exception WILL involve OTHER people!!! The right relationships are the key to success nobody is self made. Even if you are one person in a business, you still have relationships with customers, suppliers, affiliates etc. You **need** people and you need God. Don't rely on others to approach you. He who waits for fortune, dinner is never sure. Keep yourself surrounded with good people and trust their judgement or you'll never go anywhere in life.

Favour Tip:

If you want divine connections be a seed sower of connections for others. God could be using you to hook somebody else to somebody else. When you need a big break, God has people in place of your path to meet you and promote you.

YOU... HIGHLY *Favoured of God*

Final Thoughts

I wanna share one final thing with you, this is something I do everyday, it's the same thing I did, which got the favour of God working when I worked at Heathrow Airport. These are the words I used to say every morning. They're the same words that I have shared with close friends and everyone of them that started saying these words has experienced it work for them. EVERY one without exception. It will work anywhere for anyone.

QUESTION...

Will you live if you breathe oxygen in the US? Yes...

Ok how about Japan? Err duh, Yeah...

What about in the UK? Well I can answer that one I live here, YES!

Here's a tricky one... Will you live if you breathe the oxygen in the North Pole? I doubt you have even been there and I bet you already know the answer is YES.

How were you able to answer correctly to all those Questions? Because you KNOW that Oxygen (ANY)where will give the same benefit for (any)one, (any) time. Well the laws of God are the same. I believe there is a law governing the Favour of God and just like you only need breathe oxygen to benefit from it. If you want the Favour of God in your life all you have to do is this;

Declare God's Favour Over Your Life... **Daily!!!**

And THAT is IT!!!

I PERSONALLY do this everyday and it seems to work well. I say this before I leave my house;

*"I am **Highly favoured of God...** God's favour goes before me and surrounds me... opening doors no man can shut, changing rules and policies on my behalf..."*

I also have an additional Favour Tip to add to your arsenal...

Favour Tip:

I have a note book I call, "*Astonished by Favour*" every time I am astonished by favour I write it down. You may want to get one to document all the times God ASTONISHES you. In doing this you will recall all the times in the past when God's favour was with you and it will make you confident He will be with you in the future. You will come to the place where you just expect favour to show up...

AND IT WILL...

YOU... HIGHLY *Favoured of God*

YOU... HIGHLY *Favoured of God*

Commit to doing this everyday, do it and watch what happens, expect God to provide you with special privileges and advantages. And when you experience God's favour acknowledge it. Say to yourself, "that's the favour of God..." Thank Him for it. Let God know you appreciate Him for **WHO HE IS** and what He has done...

"Anything you praise God for He will multiply in your life..."

Let others know when they see good things happen to you, that it is the favour of God. Do it so, "The Father may be glorified."

God loves you so much and is so adamant about having His will come to pass for you... He will have a person impeached from their position and put up another in your nation's government, if that is what is necessary for Him to get what He wants done through you. So if there is a man standing in your way remember,

"There shall not any man be able to stand before thee all the days of thy life: as God was with Moses, so He will be with you: He will not fail you, nor forsake YOU." (Joshua1:5)

God will do for you what He did for Moses *"God is no respecter of persons"* (Acts10:34). And He will do more on top because, "now hath he obtained a more excellent ministry, by how much also he is the mediator of a **better covenant**, which was established upon **better promises**" (Hebrews8:6).

AMEN and Amen... Praise God for His Goodness... Be sure to write to me and tell me what God does for you email me at mytestimony@faithboosters.com
